WELLS RIVER

In a rough game played in the high school auditorium, Woodsville, Woodsville High defeated Bradford academy at basketball by the score of 33-8. At no time during the game was Bradford ahead nor was it at any period the least dangerous. Woodsville played its off its feet and clearly showed superiority.

Last Friday evening the Earl Brock post, American Legion, held a dance in Village hall, with Hengula's orchestra of St. Johnsbury as music. The music was excellent but the crowd was rather small, just enough to keep the place from being a total loss.

Mr. Batty, who has been teaching in the town of Chelsea this past season, is spending a few weeks at the home of his parents. After numerous trials, it has been found that the logical way out of Chelsea in the winter is by the way of South Royalton.

Last Monday evening the Wells River Study club held its meeting in the ladies' aid parlors where an appropriate entertainment was provided for the members and invited guests.

Mr. and Mrs. Edgar Stanley and baby are all sick. Mr. Stanley was taken first, followed by his wife and baby. All are confined to the bed and are under the care of Dr. Miller.

J. F. Hale, who has been extremely sick with the grip is again beginning to take an interest in life. During his brief illness he has been ably cared for by Mrs. Burley and his daughter, while the tavern has been under the management of Walter Burley.

Mr. Kellher of the internal revenue department is spending several days at Hale's Tavern assisting those who are fortunate or unfortunate enough to be interested in the present income tax law.

Miss Dooey, assistant principal, has been confined to the house for the past week with a severe attack of grippe, leaving the school short handed.

FACE COVERED WITH PIMPLES;
HIS DIGESTION IN BAD SHAPE

World War Veteran Had Gases On Stomach From Indigestion

"QUICK DECISION
BROUGHT RELIEF"

"My appetite was poor and what little I did eat caused me to suffer agony from indigestion. Food would sour on my stomach, cause gases and forced me to belch for hours after meals. This undigested food caused pimples to break out on my face and body. And when I failed to get results from ordinary yeast cakes I turned to Phos-Pho Vitamine.

"In just a few days I noticed a big change. My appetite picked up so it seemed like my meals didn't come close enough together. I couldn't pass by a

restaurant without having my mouth water for food. I could sit down to the table and eat anything I wanted without having gases or any other symptom of indigestion. This nourishing, well-digested food soon overcame the cause of my bad complexion. All of the pimples have now disappeared. I have picked up all around and am now feeling fine."

The fact that Phos-Pho Vitamine has done this for countless numbers of men, women and school-age children has caused it to be featured by the better, up-to-date drug stores here. This experience of Arnold G. Geary of Canal street, Manchester, convalescent veteran of the World War, proves the value of modern, powerful, ingredients recently adopted by the medical world. Phos-Pho Vitamine is not patent medicine. The name of the nationally-known Irving Laboratory on every orange Colored Carton guarantees the highest quality and purity. The cost is only a mere trifle and it's so pleasant to take. Just get the genuine Phos-Pho Vitamine tablets from any of the better drug stores on the way home to supper to-night.—adv.

WATERBURY

Mrs. Martha Thomas' Death Came as Release from Great Suffering.

In the death of Mrs. Martha Thomas, widow of the late Leabard Thomas, release from great suffering has come. During her long illness with sarcoma she has had a home and most tender care with her son and wife, Mr. and Mrs. Wilder Thomas. Mrs. Thomas was a native of Easton, but for years lived in Duxbury under the shadow of Camel's Hump. She was a sister of the late John A. Durkee and the family ties in that locality of the town known as Durkeysville were very strong. Mr. Thomas died several years ago. Later the son sold the farm and moved to Riddleys and then for the past two years lived at Colbyville. Mrs. Thomas was of a home nature and devoted to her family and friends. She was a member of the Congregational church and the pastor of that church, Rev. John C. Prince, officiated at her funeral, which was held at the home of her son this afternoon. Burial was in the cemetery at Duxbury Corners. Besides her son, she is survived by one daughter, Mrs. Veronika Thomas Chaffee; four grand-children and three great-grandchildren. One grandchild, Mrs. George Whalon, lives in Barre.

People say that there is something of special interest in the social at the Congregational church Friday evening. This is free and some interesting characters are expected to be present.

The public installation of the officers of Ironclad camp, No. 13, 435, M. W. of A., was an enjoyable affair for all present. The following officers were installed by District Deputy J. W. Donnelly of Rutland, at the K. of P. hall Tuesday evening: Consul, E. C. Linton; P. M., M. L. Theriault; R. M., W. F. Shontell; S. M., R. Farmer; Clerk, A. Anair; Banker, R. Hutchinson; Watchman, J. Blackford; S. M., W. Farmer; Trustee, B. Allen. After this fitting remarks were made by District Deputy Donnelly, who told about the society paying out over \$250,000,000 in American homes in the last 30 years, also about the free treatment at Woodmen's sanatorium at Woodmen, Col., and the fraternal games were played and a box party and dance took the big share of the attention of the young folks and some of older growth.

Another big snowstorm struck this community Wednesday and made the outlook for cutting further timber look pretty discouraging. Snow is reported very deep in the woods.

Mr. and Mrs. W. H. B. Perry are in Boston and Stoneham, Mass.

Mrs. Cora Berry, who has been matriarch in an orphan's home in Franklin, N. H., is with her parents, Mr. and Mrs. W. H. B. Perry.

Among the eight members of the senior class of the University of Vermont who received last evening Phi Beta Kappa degrees were Miss Pauline Gleason Ayers, daughter of Mr. and Mrs. O. L. Ayers of this place. Her relatives, friends and all interested in the Waterbury high school, where she graduated, are proud of her as an honor student.

Mitchell W. Hinsdale was an over-Sunday guest of H. L. Morse.

Mrs. Annie Daley was a recent visitor in town and called on her many friends, after a four years' absence in Springfield, Mass.

W. A. Ricker of St. Johnsbury was a business guest of Charles C. Abbott yesterday.

Don Grant, whose picture was in the photo group of the editors of the "Beano", the Boston university production, was re-elected exchange editor, having acceptably filled the position this past year.

The brotherhood of the Methodist Episcopal church is to have the pleasure of hearing this evening Benjamin Gates, auditor of accounts, who will probably give some side-lines on state expenses.

The sister of Patrick Murphy, who came from Haverhill, Mass., at the time of his death, will remain here until the end of the school year, the school work of the Murphy children may not be interrupted.

William Devine, son of Mr. and Mrs. William Devine of Colbyville, was injured about the head at the mine of

MRS. MINA RABER.

"A short time ago I was one of the most nervous and miserable persons on the earth, but thanks to Tanlac, I'm well and happy now," said Mrs. Mina Raber, 446 Farnsworth Ave., Aurora, Ill.

"It was just about two years ago that I began to be distressed after every meal. I had awful seething spells at times and my heart beat so irregularly that I often thought I wouldn't live through the attack. Headaches were the bane of my existence and I shudder even now when I think of them. My back hurt me, too, and it was just agony for me to bend over and straighten up again. 'Tanlac has done for me far more than I ever expected and I'm like a different person altogether. In fact, I'm in perfect health now. In my opinion, Tanlac is the best medicine under the sun.'"

Tanlac is sold in Barre by Barre Drug Co., in Groton by G. C. Smith, in Marshfield by E. W. Gilman, in Plainfield by E. F. Leavitt, in Orange by H. M. Richardson, and in Woodbury by R. H. Daniels.—Adv.

The Magnesia Tale company Wednesday. It is said that something like a cave-in was feared by Mr. Devine, and to get away from the stone, in running, he slipped and struck his head.

Dr. G. H. Newton attended him and he walked from the office to his home. No serious effects are expected but it is felt that a narrow escape was his. Besides a cut on his head, a collar bone and elbow were somewhat injured.

Indigestion or Sour, Gassy Stomach

"Pape's Diapepsin" gives Relief in Five Minutes

"Pape's Diapepsin" relieves stomach distress in five minutes. You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs. Pape's Diapepsin is not a laxative. It gives relief in five minutes. Its certain, unfailing action in your home—keep it handy—get a large sixty-cent case from any drug store, and then if you should eat something which doesn't agree with you, if what you eat lays like lead, ferments and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all indigestion vanishes. It is the most effective and safe remedy for indigestion and gas with which it overcomes stomach and digestive disorders is a revelation to those who try it.—adv.
